

First Batch **ANNOUNCEMENT** 2024/2025

IFMSA

OUTGOING

RESEARCH EXCHANGE

STANDING COMMITTEE ON RESEARCH EXCHANGE

PREFACE

Assalamualaikum Wr. Wb.,

It is with immense joy and deepest gratitude to every outgoing candidate, who is willing to take part in our exchange program, along with my NORE Assistant for Outgoing, Michelle Abigail Sibarani, and the entire Local Officer on Research Exchange who has shared their energy and time to assist me in the extensive process of SCORE Outgoing Selection.

I am delighted to present to you the announcement of accepted applicants for the first batch of the SCORE Research Exchange Program for season 2024-2025. This moment marks the culmination of rigorous selection, careful evaluation, and an unwavering commitment to fostering international collaboration and academic excellence.

I extend my heartfelt congratulations to each of the accepted applicants. Your selection is a testament to your dedication, vision, and the potential you hold to make meaningful contributions to the global academic landscape. This program offers you the opportunity not only to expand your horizons but also to forge connections that may well shape the trajectory of your future pursuits.

As we embark on this exciting journey together, let us remember that research knows no bounds. It is a universal language that transcends barriers and drives progress. I encourage all participants to approach this experience with an open mind, a hunger for learning, and a willingness to engage in meaningful dialogue that enriches not only your own understanding but also that of your peers.

Once again, **I welcome you all to SCORE Research Exchange Program for season 2024-2025.** May this endeavor ignite a flame of curiosity, forge lifelong connections, and pave the way for a brighter future driven by knowledge and cooperation.

Thank you for joining us in embracing the future of medical education and research—a future that belongs to those who dare to dream, explore, and unite in the name of scientific progress.

Warm regards and the bluest heart,

Zahras Azimuth Doman
National Officer on Research Exchange
